The International Vice President at Large and the International Vice President shall be elected by referendum vote of the members of the International Union.

The National Director of Canada shall be elected for the same term in the same manner and at the same time as the other International elections by the members within Canada.

The members of the International Union within each District shall elect their District Director by referendum vote.

Such elections shall be conducted in accordance with the provisions of this Constitution and an International Union Elections Manual to be adopted by the International Executive Board prescribing procedures and rules governing nominations and elections under this Article.

The candidates for the respective positions receiving a plurality of the votes cast and meeting the eligibility requirements set forth in Section 3 of Article III and Sections 3 and 4 of Article IV, shall be declared elected.

Section 2. The next election of the International Executive Board shall be held on Tuesday, November 25, 2025, and in every fourth year thereafter on the Tuesday

1 immediately preceding the U.S. Thanksgiving, and the
2 persons elected shall assume their duties beginning March
3 1, 2026 and shall serve until their successors are elected
4 and qualified at which time all money, official records and
5 documents and all property belonging to the International
6 Union shall be turned over to such successors.

7 Section 3. All members in good standing shall be
8 entitled to vote.

9 Section 4. Each Local Union shall have the right to
10 nominate a member for each office to be filled. During
11 the month of June, 2025 each Local Union shall designate
12 a date, time and place for the holding of a nomination
13 meeting to be held in the month of September, 2025.
14 Each Local Union Recording Secretary shall have the
15 duty to transmit immediately to the International the
16 information respecting the date, time and place selected
17 for the nomination meeting. The International Secretary-
18 Treasurer shall provide a notice reasonably calculated
19 under the circumstances to inform the members of each
20 Local Union of the nomination meeting in their Local
21 Union.

22 The International Secretary-Treasurer shall prepare
23 nomination certificates and envelopes and send them to the
24 Local Unions not later than August 15, 2025. The Local
25 Union Recording Secretary shall complete the nomination
26 certificate, filling in the names of the members nominated
27 by the Local Union for the various offices, together with
28 the vote recorded, and shall forward the same to reach the
29 International Secretary-Treasurer's office not later than
30 eight (8) days after the Local Union's nomination meeting.

1 Section 5. The International Tellers shall meet at
2 the Headquarters of the International Union to open and
3 tabulate the nomination returns and shall file a report
4 with the International Secretary-Treasurer setting forth
5 the names of all the members nominated and the total
6 number of nominations received. Only those nomination
7 returns which conform to the requirements of this Article
8 and the International Union Elections Manual shall
9 be tabulated by the Tellers, except that timely returns
10 which are deficient only in ministerial respects shall be
11 tabulated if the International Tellers are able to ascertain
12 by independent investigation that they are authentic and
13 accurate. The International Secretary-Treasurer shall, not
14 later than October 17, 2025, notify all candidates of the
15 tabulation of nomination returns and ask them to have the
16 officers of their Local Union certify to their membership
17 in good standing.

18 For the International President, the International
19 Secretary-Treasurer, the International Vice President
20 (Administration), the International Vice President (Human
21 Affairs), the International Vice President at Large and
22 the International Vice President, the required number
23 of Local Union nominations shall be five (5) plus one for
24 each 10,000 members (or majority fraction thereof) in
25 good standing as of March 31, 2025. The required number
26 of Local Union nominations for the National Director of
27 Canada shall be five (5) plus one for every 10,000 members
28 (or majority fraction thereof) in good standing in Canada
29 as of March 31, 2025.

30 The required number of Local Union nominations for
31 District Director shall be five (5) plus one for every 10,000
32 members (or majority fraction thereof) in good standing in
33 the District as of March 31, 2025.

1 Section 6. Any nominees notified in accordance
2 with Section 5 of this Article who desire to continue as
3 candidates must have their certificate of membership in
4 good standing attested by the officers of their Local Union
5 and return said certificate to the International Secretary-
6 Treasurer by October 27, 2025.

7 All protests in connection with nominations must be
8 filed with the International Executive Board and must be
9 received by the International Secretary-Treasurer not later
10 than October 6, 2025, except for protests filed pursuant
11 to the fourth paragraph of this Section which must be
12 received by the International Secretary-Treasurer by
13 October 20, 2025.

14 The Board shall have the power to decide all questions
15 involved in such protests, including the question of
16 whether any violation is sufficient to require invalidation
17 of a particular Local Union nomination.

18 If a protest alleges that a candidate was properly
19 nominated by a particular Local Union but was not
20 credited with that nomination because the return was not
21 received or was not received in timely fashion, and if the
22 International Executive Board determines that a candidate
23 was in fact properly nominated by such Local Union, it
24 shall credit the candidate involved with such nomination.
25 The Board shall invalidate any protested Local Union
26 nomination if it finds that there was a violation which may
27 have affected the outcome of the nomination at that Local
28 Union.

29 If the International Executive Board invalidates
30 the nomination of one or more Local Unions, and if the
31 International Executive Board determines that the rerun of
32 such Local Union nominations might enable a candidate
33 to have a sufficient number of nominations to appear on

1 the ballot, then the International Executive Board shall
2 direct immediate new nominations to be run under its
3 supervision in any Local Unions whose nominations were
4 invalidated. In such event, the International Executive
5 Board is empowered to postpone the election for the office
6 involved where, in its judgment, it is necessary to do so.
7 The Local Union nominations which are not invalidated
8 shall remain in effect. The new date for any postponed
9 election shall be set by the International Executive Board,
10 and the International Secretary-Treasurer shall institute
11 the machinery for such new nominations.

12 Immediately following the ruling of the International
13 Executive Board on the nomination protests, the
14 International Secretary-Treasurer shall notify all
15 candidates who have received the required number of
16 nominations and ask if they desire to be placed on the
17 ballot. In order to be placed on the ballot, candidates
18 must respond in writing within five (5) days of the date of
19 notification.

20 The procedure set forth in this Section is the
21 only procedure by which protests in connection with
22 nominations may be processed. Nomination protests are
23 not subject to further review within the Union following
24 the election. A candidate who does not receive sufficient
25 nominations to appear on the ballot, following the
26 disposition of any nomination protests under this Section
27 6, shall have received the final disposition of such efforts
28 to become a candidate.

29 If only one eligible member receives a sufficient
30 number of nominations, no election for that position shall
31 be held and such member shall automatically be declared
32 the person elected for that office.

1 Section 7. No nominee filing an acceptance with
2 the International Secretary-Treasurer shall be allowed to
3 withdraw such acceptance.

4 If a nominee for International Officer, International
5 Vice President at Large, International Vice President, or
6 District Director who has complied with Section 6 above
7 shall die prior to the date of the election, the election for
8 the office involved shall be postponed and nominations
9 for that office reopened. Any other nominees for said
10 office who have complied with Section 6 above shall
11 continue to be candidates and hold the nominations from
12 the Local Unions previously received by such nominees.
13 The International Executive Board shall set a new early
14 election date for the office involved and the International
15 Secretary-Treasurer shall institute the machinery to permit
16 additional candidates to be nominated for that office in the
17 same manner as in the case of regular elections, subject to
18 the previous sentence.

19 Section 8. The International Secretary-Treasurer shall
20 prepare ballots giving the names and places of residence
21 of those accepting nominations, also showing the positions
22 for which the various nominees are candidates, and
23 forward them to the Local Unions in sufficient numbers
24 to supply each member not later than two (2) weeks prior
25 to the date of election. "Tally Sheets," one "Return Sheet,"
26 and one envelope for "Return Sheet," must accompany the
27 ballots sent each Local Union. In arranging the ballots, the
28 International Secretary-Treasurer shall place the names of
29 the different candidates on the ballot in graduated order,
30 in accordance with the number of nominations received.

31 The ballot shall be prepared on special paper,
32 employing a special watermark, to protect against

1 duplication of the ballot.

2 The ballot shall be numbered in the upper left-hand
3 corner, in such a manner that the number can be torn off
4 before the ballot is placed in the ballot box. The ballot
5 shall contain a statement instructing the voter to tear off
6 the number before depositing the ballot in the ballot box,
7 and assuring the voter that when this is done, it will be
8 impossible to determine which ballot the voter has cast.

9 Notwithstanding any other provision in this Article,
10 the International Executive Board may establish standards
11 for the authorization of the use of (i) voting machines, (ii)
12 mail ballot or (iii) remote electronic voting systems under
13 procedures which provide safeguards for their proper use.

14 Section 9. Every Local Union with members eligible
15 to vote shall be required to conduct an election. In the event
16 that the International Secretary-Treasurer should conclude
17 that any such Local Union may not be planning to conduct
18 an election, the International Secretary-Treasurer shall
19 contact the Local Union to assure that the Local Union is
20 planning to hold such election or, failing such assurance,
21 shall make arrangements for the International Union to
22 conduct such election at Local Union expense.

23 Section 10. Each Local Union shall designate, at a
24 regular meeting of the Local Union held in June, 2025, the
25 place or places where its November 25, 2025 election shall
26 be held, the hours of the election at each such place, and
27 the place where the votes shall be tabulated. The voting
28 place or places so designated shall be the official voting
29 place or places of such Local Union. The hours designated
30 shall be such as will permit all members who so desire to
31 vote.

1 Each Local Union shall promptly furnish to the
2 International Secretary-Treasurer the information
3 respecting the place or places and hours of its election and
4 the place where votes shall be tabulated when requested
5 to do so by the International Secretary-Treasurer.

6 At least fifteen (15) days prior to the election, notice
7 of the date, place and hours of the election and the offices
8 to be filled shall be mailed by the International Secretary-
9 Treasurer to each member in good standing of the Local
10 Union to the member's last known home address.

11 Each candidate for International Office or District
12 Director shall, upon request, following the International
13 Executive Board's disposition of all nomination protests
14 filed pursuant to Article V, Section 6, be entitled to
15 obtain from the International Secretary-Treasurer the
16 information concerning the date, place and hours of the
17 election and the place where the votes are to be tabulated
18 in each Local Union under procedures set forth in the
19 International Union Elections Manual.

20 Under no circumstances shall the votes of any Local
21 Union be tabulated in any place other than the place so
22 designated for such tabulation by the Local Union. No
23 member shall be allowed to interfere with the official
24 Local Union Tellers during the tabulation.

25 Section 11. No member shall be allowed more than one
26 (1) vote for any candidate for a particular office, nor shall
27 the Local Union Tellers record the vote of any member
28 who is not present at the time the election is held, except
29 that any member whose work will require the member to
30 be more than fifty (50) miles away from the polling place
31 and any member who is prevented from appearing at the
32 polls because of service in the armed forces or vacation

1 may cast an absentee ballot under procedures specified in
2 the International Union Elections Manual.

3 Section 12. Each Local Union shall establish a
4 committee of Local Union Tellers. The committee shall
5 consist of the Local Union President, Financial and
6 Recording Secretaries, who shall automatically be Local
7 Union Tellers. The Local Union may select additional Local
8 Union members to serve as Tellers on the committee. The
9 Local Union Tellers shall supervise the election, and when
10 requested, assist the members in voting, and tabulate the
11 votes cast by the members for the respective offices, and
12 enter on the "Return Sheet" furnished by the International
13 Secretary-Treasurer for that purpose the total number
14 of votes cast for each candidate. The correctness of the
15 "Return Sheet" must be attested with the Local Union seal
16 and signatures of the President and Recording Secretary
17 of the Local Union.

18 Section 13. Should it be proved that more votes are
19 recorded on the "Return Sheet" than were actually cast
20 by the members, the vote of the Local Union shall be
21 invalidated, and those responsible for the fraud shall be
22 punished.

23 Section 14. After the votes have been tabulated and
24 the "Return Sheet" attested, it shall be turned over to the
25 Recording Secretary, whose duty it shall be to see that
26 the "Return Sheet" is properly attested, enclosed in a
27 special envelope furnished by the International Secretary-
28 Treasurer for that purpose, and forwarded at once by
29 certified mail or some other method demonstrating
30 transmission to the International Tellers, in care of the

1 International Headquarters. "Return Sheets" post-marked
2 later than ten (10) days after the election shall not be
3 tabulated by the International Tellers.

4 Section 15. The envelopes for "Return Sheets"
5 furnished the Local Unions must have the name of the
6 International Tellers, and the address of the International
7 Headquarters, and the following printed thereon:

Election Returns

From L.U. No _____ District _____

8 The Local Union Recording Secretary shall insert
9 the numbers of the Local Union and District in the blank
10 spaces on the envelope.

11 Section 16. When the "Return Sheets" reach the
12 International Tellers, they shall examine the envelopes to
13 see if they are intact, make a proper record of their receipt,
14 and deposit them unopened in a securely locked receptacle
15 provided for that purpose.

16 Section 17. The International Tellers shall retain the
17 services of a public spirited and impartial organization
18 experienced in the conduct of elections. The organization
19 so retained by the International Tellers shall, under the
20 supervision of the International Tellers, tabulate the votes
21 cast for the various nominees and file this tabulation with
22 the International Tellers.

23 Section 18. Except as hereinafter provided in
24 Section 27, all contests in connection with the votes of any

1 Local Union must be received by the International Tellers
2 within fifteen (15) days of the election. Such contests can
3 be filed only by a member of the Local Union whose vote
4 is contested for any of the offices for which such Local
5 Union was voting, or by any candidate for the office for
6 which the member was running, in accordance with the
7 International Union Elections Manual to be adopted by the
8 International Executive Board.

9 Section 19. Except as hereinafter provided in
10 Section 27, the International Tellers shall decide the
11 legality of the votes of any Local Union. The International
12 Tellers shall not count the votes of any Local Union that
13 is not in good standing. The International Tellers shall
14 not count the votes of any Local Union that has cast more
15 votes than the number of members in good standing during
16 the month preceding the one in which the election is held
17 unless and until they determine that there is a satisfactory
18 explanation therefore. The International Tellers shall not
19 count the votes of any Local Union whose "Return Sheet"
20 is not attested as required by Section 12 of this Article
21 unless and until they have investigated and verified that the
22 "Return Sheet" is authorized and accurate.

23 Section 20. The votes cast by members of each
24 Local Union shall be tabulated, and the results published
25 separately. The entire total vote shall also be tabulated.
26 The complete report shall be prepared and sent out to the
27 Local Unions, to each member or group of members of a
28 Local Union who filed a contest, and to each candidate
29 by the International Tellers not later than February
30 11, 2026. In the event the International Tellers refuse,
31 for any reason to tabulate the vote of any Local Union,

1 their reason must in every instance be shown on their
2 report. Any of those receiving a copy of the report of the
3 International Tellers who disagree with the disposition
4 by the International Tellers of a contest filed pursuant to
5 Section 18 of this Article may file comments on the report
6 with the International Executive Board. In addition, a
7 candidate or an affected Local Union may file with the
8 International Executive Board a contest to the report of the
9 International Tellers if the contest arises initially out of the
10 report of the International Tellers (for example, failure of
11 the International Tellers to include in their tabulation the
12 vote of a Local Union). Such a contest must be received
13 within fifteen (15) days following the distribution of the
14 report of the International Tellers.

15 Section 21. The International Executive Board shall
16 consider the report of the International Tellers, the report
17 of the Campaign Conduct Administrative Committee
18 referred to in the last paragraph of Section 27 of this
19 Article, any contest filed pursuant to Section 18 or Section
20 20 of this Article and any comments on either of these
21 reports and shall render its decision on the election prior
22 to March 1, 2026.

23 If the International Executive Board invalidates the
24 vote of one or more Local Unions, and if the International
25 Executive Board determines that the outcome of the
26 election for any office may have been affected by the
27 invalidated votes, then the International Executive
28 Board shall direct a rerun of the entire election under its
29 supervision or, in its discretion, shall direct that a new
30 election under its supervision be held in the Local Unions
31 whose votes were invalidated and the results of the voting
32 in those Local Unions shall be added to the total valid

1 votes of the candidates.

2 If a contest protests the failure to count a “Return
3 Sheet” because it was postmarked too late, received after
4 the International Tellers have issued their report, or was
5 not properly attested, and if the International Executive
6 Board determines that the votes shown on the “Return
7 Sheet” accurately reflect a proper vote of the Local Union,
8 then the International Executive Board shall count the
9 votes of the Local Union. If a contest alleges that a valid
10 election was held in a Local Union which failed to send
11 in its “Return Sheet” and the International Executive
12 Board determines that a Local Union did properly vote but
13 failed to send in its “Return Sheet,” then the International
14 Executive Board shall credit each candidate with the
15 number of votes received.

16 No other contests or appeals will be permitted.

17 Section 22. In case of a tie vote for any of the
18 candidates for a particular office, another election shall be
19 held for that office among the candidates involved in the tie.

20 Section 23. The Local Union Tellers shall seal the
21 ballots on completion of their tabulation and shall turn over
22 such sealed ballots and all other records in their possession
23 pertaining to the election to the Recording Secretary at the
24 conclusion of their report to the Local Union. Such sealed
25 ballots and other records pertaining to the election shall
26 be retained by the Recording Secretary for at least one
27 (1) year. The Financial Secretary shall retain the records
28 in the Financial Secretary’s possession pertaining to the
29 election for at least one (1) year.

30 Section 24. No member shall be allowed to loiter

1 around the voting place or to interfere in any way with the
2 elections of any Local Union. If a candidate so desires,
3 that candidate shall have the right at the candidate's
4 expense to have an observer, who shall be a member of the
5 International Union, at the polls and at the counting of the
6 ballots at each Local Union.

7 Section 25. Local Union Tellers shall be held
8 personally responsible for any irregularities in connection
9 with the conduct of the elections in their Local Unions.

10 Section 26. It shall be the imperative duty of the Local
11 Union Tellers to make a complete report of the election at
12 the first regular meeting of their Local Union following
13 the election, and it shall be further the duty of the Local
14 Union Recording Secretary to make a complete record of
15 same in the minutes of said meeting.

Campaign Conduct Administrative Committee

16 Section 27. No candidate (including a prospective
17 candidate) for any position set forth in Article IV, Section
18 1, and supporter of a candidate may solicit or accept
19 financial support, or any other direct or indirect support of
20 any kind (except an individual's own volunteered personal
21 time) from any non-member. For purposes of this Section,
22 the term non-member means any person who is either not
23 eligible for membership under Article III or not in good
24 standing or any foundation, corporation or other entity
25 whose funds are derived in whole or in part from any
26 person not eligible for membership under Article III or not
27 in good standing.

1 The International Executive Board shall adopt
2 regulations, for incorporation into the International
3 Union Elections Manual, as necessary to implement this
4 provision and to assure conformity with the obligations
5 prescribed in this Section. Such regulations shall include
6 requirements for reporting by candidates and their
7 supporters of information pertinent to administration of
8 and compliance with this Section, with such frequency,
9 not to exceed weekly, as the International Executive Board
10 deems appropriate.

11 A Campaign Conduct Administrative Committee
12 shall administer and enforce this Section. This Committee
13 shall consist of three persons who shall be distinguished,
14 impartial citizens who are not members of the International
15 Union. The term of the present Committee shall end on
16 July 31, 2028. Upon the completion of this term and each
17 subsequent term, the International Executive Board shall
18 appoint successors for a four year term. If a Committee
19 member dies or resigns, the International Executive Board
20 shall appoint a replacement. A quorum shall consist
21 of two members of the Committee. The International
22 President shall fix the compensation and expenses of the
23 Committee members, and shall arrange for the provision
24 of supplies, services, and all other assistance required by
25 the Committee. The Committee shall have the following
26 powers:

27 (a) The Committee shall have the authority to contact
28 any and all non-members who it feels may be providing, or
29 attempting to provide, prohibited support to any candidate,
30 and attempt by persuasion to convince such non-members
31 to refrain from providing such support.

(b) The Committee shall have the power (i) to direct any candidate, or any supporter, to cease and desist from any course of conduct which the Committee believes breaches this Section or the regulations of the International Executive Board adopted pursuant to this Section, and (ii) to direct any candidate, supporter or non-member to take such corrective action as the Committee deems appropriate to cure the effects of any violation and/or assure that any improper conduct will not have an effect upon the election.

(c) The Committee shall receive and promptly review the information candidates and their supporters are required to file by the regulations of the International Executive Board and by such additional requirements as the Committee may establish. The Committee may require candidates and their supporters to report whatever additional information the Committee deems appropriate to perform its functions.

(d) In the event that a candidate, or a supporter of a candidate with that candidate's knowledge or acquiescence, willfully and substantially breaches the obligations prescribed in this Section, or the regulations adopted by the International Executive Board pursuant to this Section, the Committee shall, upon notice and hearing under such expedited conditions as the Committee deems appropriate in the circumstances, have the power to declare such candidate disqualified, and to so notify the International Tellers.

(e) If the Committee in its sole discretion determines that legal proceedings are necessary for the enforcement of this Section 27, it may institute whatever legal proceedings

1 it deems appropriate, in the name of the International
2 Union. The Committee shall be the only party authorized
3 to institute legal proceedings to enforce the provisions of
4 this Section 27.

5 (f) The Committee may recommend to the
6 International Executive Board that additions or
7 amendments be made to the regulations adopted by the
8 International Executive Board pursuant to this Section and
9 shall have such other powers as the International Executive
10 Board determines are necessary for the implementation of
11 this Section or, if the International Executive Board deems
12 it advisable, any other Section of Article V.

13 Any member who believes that another member is
14 violating these provisions may file a complaint with the
15 Committee. The Committee shall process that complaint
16 in such manner as it deems appropriate, and may adopt
17 rules with respect to the filing and processing of member
18 complaints.

19 With respect to any pre-election matters within its
20 jurisdiction, decisions of the Committee shall be final and
21 binding, and not subject to review by any tribunal within
22 the Union.

23 The Campaign Conduct Administrative Committee
24 shall have exclusive jurisdiction of all post election
25 contests to all or part of the election based upon the
26 following grounds:

27 (1) Alleged violations of this Section 27;

28 (2) Alleged violations of any rules or regulations
29 adopted pursuant to this Section 27; or

30 (3) Alleged violations of the prohibition (contained

1 in the International Union Elections Manual adopted
2 pursuant to Article V) against the use of union or employer
3 funds or facilities for campaign purposes.

4 A candidate who wishes to file a contest on any of the
5 above grounds must, in order to perfect such contest, file
6 the contest with the Campaign Conduct Administrative
7 Committee within such time period and pursuant to such
8 rules as the Committee shall establish. The Committee
9 shall investigate such contests, make determinations on
10 those contests and make a report of its determinations and
11 recommendations to the International Executive Board
12 in time to be considered by the International Executive
13 Board prior to March 1, 2026.

ARTICLE VI

Conventions

14 Section 1. The next regular International Convention
15 shall be held on the third Monday of April, 2028, and
16 regular International Conventions shall be held on the
17 same date every three years thereafter at such places
18 as may be determined by the International Executive
19 Board, provided that the date of holding such Convention
20 may be advanced or postponed upon a resolution to that
21 effect adopted by the International Executive Board and
22 approved by a majority of the members of the International
23 Union upon a referendum vote.

24 Where availability of suitable facilities or other
25 related circumstances warrant or require, the date of
26 holding such Convention may be advanced or postponed,
27 without referendum vote of the membership, to another
28 date in March through August of the Convention year, by

1 action of the International Executive Board.

2 The Call for each regular International Convention
3 shall be mailed by the International Secretary-Treasurer
4 at least sixty (60) days prior to the convening of the
5 Convention.

6 Section 2. Each Local Union shall be entitled to the
7 number of delegates to the International Convention as
8 follows:

9 1-200 members	1 delegate
10 201-350 members	2 delegates
11 351-700 members	3 delegates
12 701 and over	3 plus 1 additional delegate
13	for each additional 500
14	members or majority
15	fraction thereof

16 Each delegate to the International Convention shall
17 have one (1) vote for the first 100 members or less in
18 the Local Union which the delegate represents and one
19 (1) additional vote for each additional 100 members or
20 majority fraction thereof, but no delegate shall have more
21 than ten (10) votes.

22 Amalgamated Local Unions may elect delegates
23 through the alternative method below:

24 Amalgamated Locals may elect delegates by Unit.
25 Each Unit with two hundred (200) members or more may
26 elect their own delegate to the International Convention
27 and those with less than two hundred (200), may be
28 grouped together to reach the minimum of two hundred
29 (200) members and vote as a miscellaneous group.

30 If election of delegates by Unit is selected, each Unit

1 of two hundred (200) members or more shall be allowed
2 election of their own delegate and all others shall be
3 combined to allow the maximum number of delegates.
4 It shall be the responsibility of the Local Union to notify
5 the International Secretary-Treasurer of its intent to select
6 delegates by the amalgamated option method, stipulating
7 the designated Units and any and all combining of Units.

8 In no event shall the total number of delegates elected
9 using the alternative method allow more than one and
10 one-half times the delegates allowed under the standard
11 method.

12 Section 3. Representation shall be based upon
13 the average of the paid and exonerated membership of
14 the Local Union for the first three quarters of the year
15 preceding the year in which the International Convention
16 is held. Such membership shall be based upon the records
17 of the International Union. A Local Union which has
18 been chartered for less than three (3) months preceding
19 the month in which the International Convention is held
20 shall be entitled to send guests only to the International
21 Convention.

22 Section 4. Local Unions of less than 500 members
23 may combine with similar Local Unions within a
24 reasonable radius of one another in the same District,
25 and elect delegates to represent them, but no delegates so
26 elected shall be entitled to more than ten (10) votes in the
27 International Convention.

28 Section 5. No Local Union shall be entitled to
29 representation at the International Convention unless the
30 Financial Secretary has paid to the International Secretary-

1 Treasurer all dues, initiation fees and assessments
2 collected from the members.

3 Section 6. Any Local Union becoming delinquent
4 must comply with Section 9 of Article XIV and be in
5 good standing for four (4) months previous to the month
6 in which the International Convention is held, before it
7 will be entitled to representation.

8 Section 7. No member shall be eligible to be a delegate
9 to an International Convention unless the member (a) is
10 employed in an enterprise, public or private, or any other
11 place within the jurisdiction of the International Union
12 or is one of the staff representatives of the International
13 Union. The International Officers and the members of
14 the International Executive Board shall be ex-officio
15 delegates to all International Conventions; (b) shall have
16 been in continuous good standing for a period of twenty-
17 four (24) months immediately preceding the International
18 Convention; or if the member's Local Union has been in
19 existence for less than twenty-four (24) months prior to the
20 International Convention, the member must have been in
21 continuous good standing from the time that said member
22 joined such Local Union; and (c) has attended at least one-
23 third (1/3) of the regular meetings held by the member's
24 Local Union during the twenty-four (24) month period
25 immediately preceding the month in which the delegate
26 election is to be held. Meetings which a member was
27 prevented from attending because of such member's Union
28 activities, working hours, service in the armed forces of
29 the United States or Canada, sickness which confines,
30 childbirth (if the meeting occurs within twelve (12) weeks
31 of the date of birth), death in the immediate family, or jury

1 duty, shall not be counted as meetings held in determining
2 such member's eligibility under this Section 7(c); provided,
3 that the member shall have the burden of proving inability
4 to attend for one of the prescribed reasons, in accordance
5 with procedures to be specified in the Local Union
6 Elections Manual.

7 Section 8. The International Secretary-Treasurer
8 shall furnish the Local Unions with credential blanks
9 in duplicate, which must be attested as required on the
10 blanks. The duplicate shall be retained by the delegate
11 and the original forwarded to the International Secretary-
12 Treasurer and no credentials shall be accepted later than ten
13 (10) days prior to the date for convening the International
14 Convention without the consent of the Convention.

15 Section 9. The Credentials Committee shall not
16 transfer votes to any delegate unless authorized by the
17 Local Union to do so.

18 Section 10. Delegates to the International Convention
19 must be elected at an official meeting of a Local Union
20 or by referendum ballot election, after the Call for the
21 International Convention is received and has been read
22 to the Local Union. The Recording Secretary shall issue
23 a Notice, signed by the Recording Secretary and the
24 Local Union President, at least one (1) week prior to such
25 meeting or election, stating that delegates are to be elected
26 on a certain day. Delegates must receive a plurality vote of
27 the members voting.

28 Section 11. When any delegate's credentials are to
29 be contested, notice of such contest shall be sent to the

1 International Secretary-Treasurer not later than five (5) days
2 prior to the date for convening the International Convention.
3 Any delegate whose credentials are contested may be
4 unseated at any time during the International Convention.

5 Section 12. All Local Union resolutions to be
6 considered by the International Convention must be adopted
7 by the Local Union and shall be sent to the International
8 Secretary-Treasurer. They must be in the International
9 Secretary-Treasurer's hands not later than ten (10) days
10 prior to the convening of the International Convention.
11 The International Secretary-Treasurer shall submit all
12 Local Union resolutions and any recommendations of the
13 International Executive Board to the chairpersons of the
14 appropriate committees.

15 Section 13. Resolutions bearing on different subjects
16 must be typewritten on separate papers and only on one
17 side of the paper. Resolutions must be properly signed by
18 the President and Recording Secretary of the Local Union
19 and impressed with the Local Union seal, otherwise they
20 will not be considered official.

21 Section 14. International Conventions shall not
22 consider internal appeals or grievances unless they have
23 been previously considered by the lower tribunals of the
24 organization.

25 Section 15. On questions coming before the
26 International Convention a roll-call vote shall be taken
27 upon a request of thirty (30) percent of the delegates.
28 The Secretary-Treasurer shall have a roll of accredited
29 delegates prepared and make such other arrangements as

1 will expedite and facilitate the calling of the roll.

Special International Conventions

2 Section 16. Special International Conventions shall
3 be called by the International President when so instructed
4 by the International Executive Board, or upon request of
5 twenty-five (25) percent of the Local Unions.

6 Section 17. Representation in special International
7 Conventions shall be upon the same basis as govern
8 regular International Conventions.

9 Section 18. Local Unions demanding a special
10 International Convention must state the reason or reasons
11 why such International Convention is desired, and it shall
12 be the duty of the International President to state said
13 reason or reasons in the Call for the special International
14 Convention.

15 Section 19. Special International Conventions shall
16 not have authority to consider any matter other than that
17 which is specifically stated in the Call for the special
18 International Convention.

Credentials Committee

19 Section 20. Prior to the opening date of any regular
20 or special International Convention, the International
21 Executive Board shall meet and constitute itself, or a
22 subcommittee, as the Credentials Committee for the
23 International Convention. Appeals from its decisions shall
24 be made to the International Convention. The International

1 Convention shall not be constituted for business until the
2 Credentials Committee shall have examined and reported
3 on the credentials of all delegates present at the scheduled
4 time of opening.

ARTICLE VII

Local Unions

5 Section 1. One hundred (100) or more persons
6 eligible for membership in the International Union shall
7 constitute a Local Union upon receipt of a charter from the
8 International Secretary-Treasurer under the terms herein
9 provided, except that the International President may
10 authorize the International Secretary-Treasurer to issue
11 a charter to a Local Union with less than this number in
12 special circumstances.

13 The International Executive Board may establish rules
14 and procedures under which all or part of the jurisdiction
15 of one Local Union may be transferred to another Local
16 Union, with appointment of provisional Unit officials and
17 Amalgamated Local Officers where necessary.

18 Section 2. Upon approval of the charter application
19 by the International Officers, subject to review by the
20 International Executive Board, the International Secretary-
21 Treasurer shall issue to the applicants a Local Union charter
22 which shall contain such provisions as the International
23 Union may require; the International Secretary-Treasurer
24 shall also deliver to said applicants one Local Union seal
25 and such other initial supplies as may be necessary to
26 conduct the affairs of the Local Union.

1 Section 3. No Local Union shall be dissolved, except
2 with the approval of the International Executive Board.

3 Section 4. The Local Unions shall be charged with
4 the duty of enforcing this Constitution as affecting their
5 membership.

6 The funds and property of the Local Union shall
7 be managed, invested, expended or otherwise used to
8 implement and carry out the objects, rights, activities and
9 responsibilities of the Local Union or the International
10 Union, and to administer the affairs of the Local Union,
11 in accordance with the Constitution and policies of the
12 International Union and the By-Laws of the Local Union.

13 Section 5. Local Unions may adopt, subject to
14 approval by the International Union, such by-laws and
15 rules as do not conflict with any of the provisions of this
16 Constitution or the policies of the International Union.
17 Local Unions which do not adopt such by-laws shall be
18 deemed to have adopted the standard By-Laws for Local
19 Unions issued by the International Union.

20 Notwithstanding any provisions of the Constitution
21 to the contrary, the International Executive Board shall
22 issue rules and special by-laws governing Amalgamated
23 Local Unions.

24 Notwithstanding any provisions of the
25 Constitution to the contrary, the International
26 Executive Board may establish standards, including
27 the process with respect to obtaining authorization
28 of variances, which provide safeguards for their
29 proper use, for Local Unions whose particular
30 circumstances warrant an accommodation to address

1 the special needs, circumstances, and conditions of
2 members on such matters as Local Union and International

3 advertised among members at least fifteen (15) days
4 previous to the date of the election by mailing notice of
5 the date, place and hours of the election to each member in

7 The notice must also specify the Local Union offices to

26 and the by-laws shall provide how the duties of the offices
27 of Guide, Guard and Trustee are to be allocated among
28 these five (5) offices. In the alternative, a Local Union
29 which has a membership of one hundred (100) or less may
30 adopt a by-law provision which, in addition to providing
31 for the five (5) offices mentioned above, combines the
32 office of Guide and/or Guard with the office of Trustee.

18 meetings held by the member's Local Union during the
19 twenty-four (24) month period immediately preceding the
20 month in which the election is to be held.

21 Meetings which a member was prevented from
22 attending because of such member's Union activities,
23 working hours, service in the armed forces of the United
24 States or Canada, sickness which confines, childbirth (if
25 the meeting occurs within twelve (12) weeks of the date
26 of birth), death in the immediate family, or jury duty,
27 shall not be counted as meetings held in determining such
28 member's eligibility under this Section 10; provided, that
29 the member shall have the burden of proving inability to
30 attend for one of the prescribed reasons, in accordance

1 with procedures to be specified in the Local Union
2 Elections Manual.

3 In the event none of the members nominated for
4 a particular office is eligible, then both Section 9(a) and
5 this Section 10 will be considered waived automatically
6 for that office and the election for that office will be
7 conducted among those members nominated who meet
8 the requirements of Section 9(b) of this Article.

9 Section 11. A Workers' Compensation Committee
10 and a Safety and Health Committee, under the direction
11 of the International Union or its designated representative,
12 shall be established in each Local Union.

5 membership of the Local Union as provided for in the
6 report to the International Secretary-Treasurer and
7 transmit the full amount of initiation fees and dues, the
8 Financial Secretary shall be suspended from all privileges

ARTICLE IX

Suspension or Revocation of Local Union Charters

1 Section 1. In the event the International President
2 shall have reason to believe that any Local Union is
3 failing to comply with any provision of the Constitution,
4 or that action may be required for one of the purposes
5 specified in the following Section, the International
6 President may, unilaterally or at the request of officers or
7 members of the Local Union, institute proceedings, with
8 due notice of the basis therefor and of a hearing before
9 any member or members of the International Executive
10 Board or representative or representatives designated by
11 the International President. The Local Union shall
12 be afforded a full and fair hearing. Upon the basis
13 of the hearing the International Executive Board
14 is authorized to render a decision, dismissing the
15 proceedings, suspending or revoking the charter of
16 any such Local Union, or directing such other action
17 as may be necessary to secure compliance with the
18 Constitution. The International Executive Board may act
19 at a meeting or by means of a mail or telegraphic poll.

20 Section 2. Included in the other action which the
21 International Executive Board (or such committee of
22 its members as it may select to perform all or part of
23 its functions) may direct are the removal, by it or by
24 the Administrator provided for in this Article, of all
25 or any of the Local Union Officers, grievance or other
26 committee members or stewards, and appointments of
27 an Administrator over the affairs and property of any
28 such Local Union for any of the following purposes: (a)

1 correcting corruption or financial malpractice, (b) assuring
2 the performance of collective bargaining agreements or
3 other duties of a bargaining representative, (c) restoring
4 democratic procedures, or (d) otherwise carrying out the
5 legitimate objects of the International Union or such Local
6 Union.

7 If the decision of the International Executive Board
8 on the report and recommendations of the hearing
9 commission is rendered by means of a poll when it is
10 not in session, the matter shall be considered again at
11 the next meeting of the International Executive Board
12 following request for such consideration by an aggrieved
13 party provided such request is filed with the International
14 Secretary-Treasurer within thirty (30) days after the
15 decision is made known to the Local Union.

16 Section 3. Notwithstanding anything to the contrary
17 herein, in case of emergency, where in the opinion of the
18 International President the best interests of the International
19 Union or Local Union require, the International President
20 is empowered to suspend officers of, and establish an
21 administratorship over, the affairs and property of a Local
22 Union prior to notice and hearing. In such cases notice
23 shall be given and a hearing as specified above shall be
24 conducted within sixty (60) days following the emergency
25 action.

26 Section 4. The Local Union shall be notified of
27 the time and place of any meeting of the International
28 Executive Board at which the Local Union's status will
29 be considered. The parties shall have the right to appear
30 before the International Executive Board at such meeting.
31 The International Executive Board may affirm, reverse or

1 modify the action of the International President and shall
2 render its decision as soon as practicable following such
3 hearing.

4 Section 5. The decision of the International Executive
5 Board may be appealed to the next International
6 Convention, provided that notice of the appeal is filed
7 with the International Secretary-Treasurer within thirty
8 (30) days after the decision is made known to the Local
9 Union. Pending the appeal the decision of the International
10 Executive Board shall remain in full force and effect.
11 The International Convention may affirm, reverse or
12 modify the decision of the International Executive Board.

13 Section 6. In the event that an Administrator is
14 appointed for a Local Union, the Administrator shall take
15 full charge and conduct all the affairs of the Local Union
16 until the International Executive Board determines that
17 the Local Union is capable of conducting its own affairs
18 in conformance with the Constitution and policies of the
19 International Union and By-Laws of the Local Union. The
20 Administrator shall have the right to demand and receive
21 in the name of the International Union, and the Local
22 Union Officers shall have the obligation to turn over, the
23 charter and all books, records, monies, assets and property
24 of the Local Union, to be held in trust for the Local Union
25 and to be used and expended only in the proper conduct
26 of its affairs. The Administrator shall have the right to
27 replace officers, grievance or other committee members
28 or stewards removed by the International Executive Board
29 or the Administrator, by appointing temporary officers,
30 grievance or other committee members or stewards.

31 All officers, grievance or other committee members or

1 stewards, incumbent or temporary, shall function under the
2 supervision, direction and control of the Administrator. The
3 International President shall have the right, with or without
4 cause, to remove or replace the Administrator at any time.

5 It shall be the policy of the International Executive
6 Board to terminate an administratorship as soon as it
7 deems practicable under all the circumstances. When
8 the International Executive Board determines to restore
9 the autonomy of an administered Local Union, the
10 Administrator shall (unless the International Executive
11 Board or its delegee determines otherwise), prior to such
12 restoration, be responsible for conducting an election,
13 in accordance with the applicable provisions of the
14 Constitution and policies of the International Union
15 and By-Laws of the Local Union, to fill vacant offices
16 and other elective positions vacated on account of
17 removal or departure of the former elected incumbents.

18 Section 7. In the event an enterprise, public or private,
19 which constitutes the sole jurisdiction of a Local Union, is
20 abandoned, the International Secretary-Treasurer with the
21 consent of the International Executive Board, may revoke
22 the charter of said Local Union.

23 Section 8. In the event of a suspension of a Local
24 Union, the members thereof and the Local Union shall not
25 be deemed to be in good standing during the period of
26 suspension.

27 Section 9. In the event that a Local Union's charter
28 is revoked, or the Local Union disbands, the charter and
29 all books, records, monies, assets, and property shall be
30 delivered and turned over immediately to the International

1 Union on demand by the International Secretary-Treasurer
2 or the International Secretary-Treasurer's designee.

3 Section 10. After a charter of a Local Union has been
4 revoked, the International Executive Board may charter a
5 new Local Union having the same jurisdiction as the Local
6 Union whose charter was revoked. The members of the
7 Local Union whose charter was revoked may be readmitted
8 only by action of the International Executive Board.

5 may require, to change the boundaries of the Districts
6 or to consolidate two or more Districts. In the event of
7 such consolidation, the Executive Board shall have the
8 authority, by a two-thirds (2/3) vote, to determine which

19 amount of the initiation fee has been paid.

20 Section 2. A member shall pay dues promptly
21 commencing with the month during which the member

15 days' work in any month in such bargaining unit shall
16 be deemed not in good standing (but not expelled) and
17 devoid of all membership rights until such time as the
18 member is recalled or obtains employment in a bargaining
19 unit represented by the International Union and resumes
20 payment of current dues, at which time the member shall

11 elsewhere, the International Executive Board, during
12 organizational campaigns and until collective bargaining
13 contracts are negotiated, may grant dispensations
14 from payment of initiation fees, dues or other financial
15 obligations or may reduce the amount of dues, initiation
16 fees or other financial obligations payable by members
17 and prospective members and may determine the
18 apportionment thereof between the International Union
19 and Local Unions when, in its judgment, such dispensation
20 or reduction will promote the growth or interests of the
21 International Union, and such members, meeting all
22 other eligibility requirements of the Constitution, shall be
23 regarded as being members in good standing during such
24 organizational period, for all purposes, any provision of
25 this Constitution relating to initiation fees, dues and other
26 financial obligations to the contrary notwithstanding.

24 may be penalized as described above, and removed from
25 office or position.

7 Committee as it may deem proper and, in the event the
8 accused is found guilty of the charges preferred, shall
9 impose such penalties as in its judgment it may deem
10 fitting and proper.

11 Section 5. In the event that the accused fails to appear
12 at the hearing at the time and place provided in the notice
13 and presents no reasonable excuse for absence, the hearing
14 shall proceed with the same force and effect as if the
15 accused were present.

16 Section 6. The accused or the accuser may appeal
17 to the International Executive Board and thereafter to

19 such person files notice of appeal with the International
20 Secretary-Treasurer within thirty (30) days after notice
21 of the decision of the Local Union or the International
22 Executive Board from which the appeal is taken. For
23 appeals to the International Executive Board, the
24 International Executive Board shall adopt procedures
25 which insure that all parties are afforded the opportunity
26 to present all arguments and facts whether or not presented
27 at the earlier stages in the proceedings and that decisions
28 on such appeals are based upon the evidence presented in
29 the appeal. The International Executive Board shall not,
30 in making its decision, be limited to the arguments or

1 testimony presented at the earlier stages in the proceedings
2 and shall be permitted to cure by its appeal proceedings
3 procedural defects which may have occurred at earlier
4 stages in the proceedings. The decisions of the Local
5 Union and of the International Executive Board shall be
6 given full force and effect unless a stay thereof is obtained
7 from the International Executive Board. The Executive

16 proof of receipt), and where supported by preliminary
17 investigation conducted on behalf of the International
18 President, summarily remove such Local Union official
19 from office or suspend such member from good standing
20 during all or a portion of the time necessary to process

4 to be conducted and issue a decision thereon, or (2) refer
5 such charge to the Local Union involved for appropriate
6 handling under Article XIII.

8 initiation fees are waived pursuant to Section 2, the
9 initiation fees shall be Ten Dollars (\$10.00).

10 Section 2. The International Executive Board may

12 in its judgment such dispensation will promote the growth
13 or interests of the International Union.

14 Section 3. Monthly dues for a member shall be an
15 amount equal to 1.3% of said member's total earnings
16 during the month provided that monthly dues shall not be
17 less than \$5.00 and provided further that monthly dues
18 shall not be more than 2.5 times the member's average
19 hourly earnings. For lump sum payments, dues shall
20 be calculated separately by applying the 1.3% to such
21 payments. The International Executive Board shall issue
22 appropriate interpretive rulings.

23 Section 4. Notwithstanding any other Section of
24 this Article, Local Unions whose dues at the time of
25 the adoption of this Constitution exceed the amount

1 provided for in Section 3 of this Article may maintain
2 such differential. In such cases the dues shall be computed
3 by adding such differential to the amount required by the
4 applicable provisions of this Article.

5 In addition, a Local Union which has removed the
6 cap of 2.5 (or other multiple) times the member's average
7 hourly earnings referred to in Section 3 of this Article
8 may, with the approval of the International Secretary-
9 Treasurer, establish a supplemental local strike and
10 defense fund to be financed by an increase in dues adopted
11 by the Local Union by secret vote, which increase shall
12 not exceed \$3.50 per member per month. Distributions
13 from the local supplemental strike and defense fund shall
14 be in accordance with the rules of the International Strike
15 and Defense Fund and such additional rules as may be
16 established by the International Secretary-Treasurer.

17 Section 5. The full amount of all dues and initiation
18 fees and assessments collected by each Local Union shall
19 be deposited by the appropriate officers of the Local
20 Union in a bank account designated as a trust fund held for
21 the International Union. The officers of each Local Union

25 collected by such Local Union.

26 Section 6. The International Secretary-Treasurer
27 shall, upon receipt of any remittance of initiation fees
28 referred to in Section 1 of this Article, determine and remit
29 to the Local Union Financial Secretary a per capita refund
30 which shall be one-half (1/2) of the amount received, the
31 balance to be retained by the International Secretary-

1 Treasurer subject to the provisions of Section 14 of this
2 Article.

3 Section 7. The International Secretary-Treasurer
4 shall, upon receipt of any remittance of dues referred to
5 in Section 3 of this Article, allocate, determine and remit
6 such dues in the following manner:

7	(a)	1%	to the applicable District Education Fund
8			operated under guidelines established by
9			the International Executive Board
10		1%	to the applicable District Political
11			Education and Legislative Fund operated
12			under guidelines established by the
13			International Executive Board
14		7%	to Strike and Defense Fund
15		3%	to Organizing
16		44%	to the Local Union Financial Secretary
17			as a per capita refund
18		44%	to the International Union

19 (b) With the approval of the International President,
20 the International Secretary-Treasurer is authorized to
21 deduct from the per capita refunds of Local Unions per
22 capita payments to state and provincial federations and
23 provide for their payment.

24 (c) The additional amounts referred to in Section 4 of
25 this Article shall be returned or sent to the Local Union
26 Financial Secretary as a per capita refund.

27 Section 8. When any Local Union fails to report
28 and remit to the International Secretary-Treasurer the

1 full amount of initiation fees and dues and assessments
2 as provided for herein, said International Secretary-
3 Treasurer shall notify the Local Union President and the
4 Recording Secretary of the Local Union of the fact, and
5 failing to receive a satisfactory response within ten (10)
6 days thereafter, the Local Union shall stand suspended.
7 The International Secretary-Treasurer may publish and
8 distribute a delinquent list of all such Local Unions so
9 suspended.

10 Section 9. Local Unions placed on the delinquent list
11 shall not be reinstated until they have filed all delinquent
12 reports and have complied with any penalties prescribed
13 by the International Executive Board.

14 Section 10. An individual member shall be entitled to
15 exoneration from the payment of dues for any month for
16 which the member has not become entitled to five days'
17 pay or its equivalent in wages and benefits in lieu of wages.
18 The International Executive Board shall adopt rules and
19 regulations governing the implementation, application and
20 administration of this Section.

21 Section 11. In all cases, other than those provided
22 in Section 10 of this Article, and Article XI, Section 8,
23 where Local Unions desire exoneration from the payment
24 of dues or initiation fees for certain of their members,
25 the request for exoneration must be signed by the Local
26 Union President, the Local Union Financial Secretary,
27 and the Local Union Recording Secretary, and approved
28 by the District Director and the International Secretary-
29 Treasurer. No dues shall be deducted from the pay of a
30 deceased member regardless of when it was earned.

1 Section 12. When exoneration is granted, the request
2 on the required report must be renewed each month.

3 Section 13. Local Union Presidents, Vice Presidents,
4 Financial Secretaries and Treasurers shall be bonded in
5 amounts to be determined by the International Executive
6 Board. Such bonds shall be obtained by the International
7 Secretary-Treasurer. Clerks employed by a Local Union
8 and handling finances in any way must be bonded by the
9 Local Union through arrangement with the International
10 Secretary-Treasurer.

11 Section 14. The International Executive Board on
12 request of a Local Union shall have the power to make
13 special arrangements with respect to the dues schedules
14 established in this Article where unusual circumstances
15 justify such arrangements. The International Executive
16 Board shall establish a procedure under which any
17 individual, who is required as a condition of employment
18 to pay dues to the International Union pursuant to a union
19 security arrangement, who has elected to be a financial
20 core member and thereby has no rights of membership,
21 and who objects to supporting partisan political or
22 ideological expenditures by the International Union
23 which are not necessarily or reasonably incurred for the
24 purpose of performing the duties of an exclusive collective
25 bargaining representative shall have the right upon
26 perfecting a notice of objection to obtain a reduction of a
27 portion of such individual's dues obligation commensurate
28 with such expenditures unrelated to Collective Bargaining
29 as required by law.

30 Section 15. The International Secretary-Treasurer

1 shall cause to be established a separate Strike and Defense
2 Fund, to be financed in the manner provided in this
3 Article. The depositing and investment of the monies in
4 this Fund shall be in accordance with Article IV, Section
5 14. Expenditures from the Fund shall be determined by
6 the International President and International Secretary-
7 Treasurer subject to the review of the International
8 Executive Board. Withdrawals from the Fund shall
9 require the signatures of the International President and
10 the International Secretary-Treasurer. For any month for
11 which the General Fund balance of the International Union
12 drops below \$18,000,000, the International President
13 with approval of the International Executive Board is
14 authorized to transfer from the Strike and Defense Fund to
15 the General Fund an amount up to the amount necessary
16 to bring the level of the General Fund to \$20,000,000.

17 Section 16. Effective January 1, 1999, an Organizing
18 Fund will be created that will be funded and administered
19 as follows:

20 (a) Effective January 1, 1999, monthly dues for a
21 member shall be an additional \$.01 per hour for hours
22 included in total earnings during the month. Effective
23 January 1, 2000, monthly dues for a member shall be an
24 additional \$.01 per hour, for a total of \$.02 per hour, for
25 hours included in total earnings during the month.

26 (b) The International Secretary-Treasurer, upon
27 receipt of any remittance of dues referred to in this Section,
28 shall allocate such dues in the following manner:

29 (1) 50% to approved district organizing plans,

1 which will include assistance for local
2 union organizing programs.

3 (2) 25% to industry-wide multi-district
4 organizing programs that will involve
5 Local Unions from the particular
6 industries being targeted.

7 (3) 25% for ongoing training and
8 development of local union organizers.

9 (c) The \$.01 (or \$.02) per hour dues for the Organizing
10 Fund will end on the first day of the second month
11 following twelve consecutive months during which the
12 Union has organized an average of 8% or more of its
13 average dues paying membership.

14 (d) The International Secretary-Treasurer shall have
15 authority to allocate Organizing Fund revenue to cover
16 Strike and Defense Fund and member mobilization and
17 communications costs.

18 (e) The International Executive Board shall issue
19 appropriate interpretive rulings.

20 Section 17. To improve the ability of the Union to
21 support the membership through the use of the Strike
22 and Defense Fund, member dues shall be increased as
23 described below, and the full amount of the increase shall
24 be designated for the Strike and Defense Fund.

25 (a) Effective November 1, 2008, monthly dues for
26 a member shall be increased by 0.15% to 1.45% of total

1 monthly earnings, but in no event shall monthly dues be
2 more than 2.8 times the member's average hourly earnings
3 ("cap"). For lump-sum payments, dues shall be calculated
4 separately by applying the 1.45% (1.3% plus 0.15%) to
5 such payments. The International Executive Board shall
6 issue appropriate interpretative rulings.

7 (b) Alternatively, in lieu of the 0.15% increase, for the
8 period November 1, 2008 through December 31, 2012, a
9 Local Union on a Local Union-wide basis may elect to
10 increase monthly dues for each member by an additional
11 three cents (\$0.03) per hour for hours included in total
12 earnings during the month. Effective January 1, 2013 and
13 thereafter, the 0.15% option will apply. A Local Union
14 adopting this subsection must notify the International
15 Secretary-Treasurer of its determination by September 30,
16 2008.

17 (c) Notwithstanding (a) and (b) above, the Union will
18 continue to honor merger agreements that provide for dues
19 transition schedules and equivalent dues arrangements.
20 The International Executive Board shall take these
21 agreements into account in determining the level of Strike
22 and Defense Fund benefits.

23 (d) In addition, a Local Union may, by secret vote and
24 with the approval of the International Secretary-Treasurer,
25 further increase members' monthly dues by a percentage
26 no higher than 0.1% of its members' total earnings during
27 the month, provided that monthly dues shall not be less
28 than \$5.00 nor more than an appropriate adjusted cap
29 as determined by the International Secretary-Treasurer.
30 This additional dues of up to 0.1% shall be distributed in

1 accordance with Section 7 above.

MANUAL

Opening of Meeting

The hour of the meeting having arrived, the President shall take the chair and give one rap with the gavel, upon which all officers and members shall be seated. If no regular Guards are present, the President shall appoint one of the members to see that none but members of the Union are admitted.

President: The time for opening this meeting having arrived, I declare this meeting duly convened and qualified to consider measures tending to conserve the best interest of this Local Union, and the United Steelworkers.

ORDER OF BUSINESS FOR CONDUCTING LOCAL UNION MEETINGS

1. **Call meeting to order.**
2. **Roll call of officers - by Recording Secretary.**
3. **Reading of the minutes of the previous meeting.**
After the minutes have been read by the Recording Secretary a motion must be made and seconded that the minutes be “approved” (or adopted) as read. Such a motion means that in the opinion of the members, the Secretary has recorded the minutes of the previous meeting correctly. Should the reading reveal any errors or omissions, a member may move to correct the minutes. If this motion is carried, another

motion should follow that the minutes “as corrected” now be approved.

IT IS VERY IMPORTANT THAT BRIEF, COMPREHENSIVE MINUTES OF EACH MEETING BE KEPT BY THE RECORDING SECRETARY. THESE MINUTES ARE THE OFFICIAL RECORD OF THE BUSINESS TRANSACTED BY THE LOCAL UNION MEETING. A REGULAR BOOK IS PROVIDED BY THE INTERNATIONAL UNION FOR THIS PURPOSE AND SHOULD ALWAYS BE KEPT UP TO DATE.

4. Reading of Communications.

RECORDING SECRETARY: The Recording Secretary reads the letters which require attention. Those which do not require much discussion may be dealt with immediately; others may be laid over to “New Business” or referred to a standing committee. If no action is required or desired, the communications may be read and, upon a motion, filed. The Recording Secretary keeps the files of the Local Union.

5. Report of Officers.

FINANCIAL SECRETARY: The Financial Secretary should make a detailed financial report at least once each month at the Local Union meeting covering the receipts and expenditures of all funds of the Local Union. If the expenses of the Local Union exceed its current income or impair its reserves, the Financial Secretary is obligated to call this fact to

the attention of the membership.

TREASURER: The Treasurer is the custodian of the Local Union funds. The Treasurer should report to each meeting the money received from all sources, such as rebates from the International Office and other monies turned over to the Treasurer for deposit by the Financial Secretary. The Treasurer should be certain that the amount reported by the Financial Secretary to the Local Union as having been turned over agrees with what the Treasurer actually received and that the Recording Secretary records the amount in the minutes.

TRUSTEES: The Trustees are the custodians of the hall and all property of the Local Union subject to the direction of the Local Union. They shall audit the books and financial records of the Local Union every three (3) months and give a report of such audit at the next regular Local Union meeting.

6. **Report of Organizer or International Representative.**
7. **Initiation of New Members.**
8. **Report of Special Committees.**
Such as: Celebrations, picnics, relief, citizenship, etc.
9. **Reports of Standing (or Permanent) Committees.**
 - a. Grievance Committee.
 - b. Report of delegates to Federation Council.

10. **Unfinished Business.**

These matters are those remaining over from previous meetings. They are usually recorded in the minutes of the previous meeting. The Recording Secretary should inform the President of any unfinished business so it may be included in the order of business in this section.

11. **New Business.**

These are matters which have been laid aside earlier in the meeting or which have come up since the last meeting.

12. **Good and Welfare.**

All miscellaneous matters for the good of the Union which should be brought to the attention of the meeting should come to the floor at this time. These matters usually do not require any action by the meeting. They are simply matters of information and education.

13. **Adjournment.**

PRESIDENT: The business of this meeting having been duly transacted, I declare it adjourned until our next regular session, unless you are especially called together, when I hope to see all members present.

NOTE: All money paid out by the Local Union from its treasury must be approved by the members at a Local Union meeting. Bills charged to the Local Union should be submitted to the Recording Secretary, who in turn submits them to the Local Union meeting for approval. If the Local Union agrees that the bills should be paid a motion should

be made, seconded and passed authorizing the Treasurer to draw up a check and pay the bill. All Local Union checks must be signed by the Treasurer and countersigned by the Financial Secretary and the President.

Under no circumstances is it legal for officers or members to pay bills without authorization by a Local Union meeting, nor shall the members authorize payment of any bill or incur any obligation for which funds are unavailable, nor shall the members authorize the payment of or incur a debt for any activity not in accordance with the Constitution and policies of the International Union and the By Laws for Local Unions. Under no circumstances shall any of the cash dues or fees collected be spent before it is sent to the International Secretary-Treasurer.

It is of prime importance that the Trustees shall audit the books and financial records of the Local Union every three (3) months and give a report of such audit at the next regular Local Union meeting. The Trustees should give special attention when checking disbursements recorded by the Financial Secretary and Treasurer that proper authorization for such payments have been entered by the Recording Secretary in the Minutes of the Local Union. (Constitution: Article VII, Section 4; Article VIII, Section 6. By Laws for Local Unions: Article V.)

INITIATION OF NEW MEMBERS

President - Raise your right hand.

“Recognizing that the United Steelworkers is a strong labor organization dedicated to the advancement of my interests and the interests of all workers and that the strength of the Union depends on the commitment which its members make to it and to each other, I do sincerely promise, of my own free will, to abide by the laws of this Union; to bear true allegiance to, and keep inviolate the principles of the United Steelworkers; never to discriminate against a fellow worker on the basis of race, creed, color, sex, sexual orientation, gender identity, age, disability, nationality, or other legally protected status; to defend freedom of thought, whether expressed by tongue or pen, to defend on all occasions and to the extent of my ability the members of our organization, and never to reveal to any employers or their agent a member’s name without proper authorization. I will cease work when authorized and approved by the organization to do so.

That I will look upon my fellow members of this Union as my brothers and sisters and will never knowingly wrong a member or see a member wronged if I can prevent it. That I will assist all members of our organization to obtain the highest wages possible for their work; that I will not accept a member’s job who is idle for advancing the interests of the Union or seeking better remuneration for the member’s labor; and, as the workers of the entire country are competitors in the labor world, I promise to provide my solidarity and support whenever I am called upon by the organization to do so. And I further promise to

help and assist all members in adversity, and encourage all workers to organize and join our Union in order to enjoy more fully the fruits of their labor.

To all this I pledge my honor and I further pledge that at every opportunity I shall 'Say A Good Word About My Union.'

INSTALLATION OF OFFICERS

I,, do hereby sincerely pledge my honor to perform the duties of my office as prescribed by the Laws of the organization, and to bear true allegiance to the United Steelworkers. I will deliver to my successor in office all books and other property of this Union that may be in my possession at the close of my official term. All of this I solemnly promise, with full knowledge that to violate this pledge is to stamp me as a person devoid of principle and destitute of honor.

BURIAL SERVICE

FRIENDS, NEIGHBORS, BROTHERS AND SISTERS:

We have gathered today around the last resting place of that earthly tenement which has been the temporary abiding place of the life and spirit of our departed Brother (Sister). With bowed heads and saddened hearts we have followed his (her) remains to this place in order that we may be able to show this last tribute of respect to the memory of one whose virtues we appreciate and whose faults, if he (she) had any, we are eager to forget. We have known him (her), he (she) was one of us, and our hearts grieve at his (her) departure, as the heart of man always grieves at the loss of some cherished object of

affection that can never be replaced, yet our grief is not inconsolable. Of what consequence is a few years to the age of man when compared with God's infinity? When we think of the many years that have rolled into eternity since time began and the countless ages yet to come ere time shall be no more, we realize that the short period allotted to man on this earth is but the first self conscious gleam of man's eternal soul. We are not as men without hope, for the Psalmist has said, "Man that is born of woman is full of trouble and sorrow. He cometh forth like a flower and is cut down. Our years of labor are brought to an end, our dust shall return to dust as it was, and our spirit to the God who gave it." Earth to earth, ashes to ashes, dust to dust.

Though the seasons may change, and the years pass away, the remembrance of our Brother (Sister) shall never fade until we, too, have been gathered to the place that has been prepared for us.

We sympathize with { those dear to
 { the family of }

our deceased Brother (Sister) in their bereavement, and would commend them to the tender care of Him who holds the destinies of mankind in the hollow of His hand, and who is able to console the spouse and orphan when the words of man are vain.

Let us pray.

Our Father who art in Heaven, we bow before Thee in humble submission to Thy will. Our hearts are sore with the sorrow of bereavement. We come to Thee for consolation. Grant, O Lord, that the balm of Thy healing spirit may be poured down upon us like the balm of Gilead to our wounded hearts. May the peace that passeth all understanding, which Thou alone can give, abide with the

family of our deceased Brother (Sister). Comfort them in their affliction. Guide us all in the paths of righteousness while we live, and when we are done with this life receive us into that home which Thou hast prepared for all Thy children, eternal in the Heavens. Amen.

BENEDICTION

And now may the grace, mercy and peace of God, the Father, Son and Holy Spirit, rest and abide with you now and forever. Amen.
